

THE Eleventh ANNUAL PRE EVENT CHALLENGE

Saturday March 20th, 2010

1-4pm

The Pre Event Challenge is a fun event for athletes, parents and coaches who are new to, or have never been to, a competition. The events are marked for score sheet only, and all athletes receive medals for their efforts. The day will also include demonstrations by famous baton twirlers and fun events such as "Father/Athlete Marching!" Directly following the events, a special program called The S.T.A.R Challenge will be held for all participating athletes (find out from your coach what this is!). A new thing we are going to be trying out this year!
